

**PROSHRED® Raleigh
Hosts Community Events to Help Curb Identity Theft**

PROSHRED® Security has scheduled several Community Shredding Events. The intent of these events is to provide an opportunity for our clients, our clients' employees, area businesses and local residents to ensure their personal and confidential materials are securely destroyed in one of our state of the art mobile shredding vehicles. In addition to helping to lower identity theft, several of these events allow for donations to various not-for-profit organizations.

Friday August 27th 2010 | 12:00pm – 2:00pm

Crescent State Bank

Local sponsors are donating their time and resources to sponsor this free shred-a-thon in your area. A perfect way to destroy old tax records, checks, employment records or credit applications. You do not need to remove staples and paper clips from the documents. It usually takes about 10 minutes to drop off your documents and get them shredded. Please pass along this information to co-workers, neighbors and friends. This service is for individuals with personal documents to help prevent identity theft.
