

**PROSHRED® Connecticut
Hosts Community Events to Help Curb Identity Theft**

PROSHRED® Security has scheduled several Community Shredding Events. The intent of these events is to provide an opportunity for our clients, our clients' employees, area businesses and local residents to ensure their personal and confidential materials are securely destroyed in one of our state of the art mobile shredding vehicles. In addition to helping to lower identity theft, several of these events allow for donations to various not-for-profit organizations.
