**PROSHRED® Southeast Pennsylvania
Hosts Community Events to Help Curb Identity Theft**

PROSHRED® Security has scheduled several Community Shredding Events. The intent of these events is to provide an opportunity for our clients, our clients' employees, area businesses and local residents to ensure their personal and confidential materials are securely destroyed in one of our state of the art mobile shredding vehicles. In addition to helping to lower identity theft, several of these events allow for donations to various not-for-profit organizations.

Identity theft is the one of the fastest growing non-violent crime in America. It impacts nearly 9 million victims each year and approximately 75% of cases are a result of paper documents getting into the wrong hands. Proper destruction of confidential documents is a critical step in ensuring that you, your family members and your customers do not become victims of identity theft.
