

PROSHRED® Announces New Franchise Location in Orange County, California

IRVINE, CA July 2, 2009.....Located in Irvine, **PROSHRED®** will soon open its newest and first office in Southern California. The company currently has 16 locations and with the addition of Orange County, CA, **PROSHRED®** continues to develop its footprint across the United States. **PROSHRED®** expects operations to commence in Orange County in late summer 2009.

Upon executing the Franchise Agreement, **PROSHRED®** President and CEO John Prittie commented, "We look forward to opening our first California location and further developing many more west coast franchises. The need for secure document destruction and environmentally friendly recycling solutions is strong in California, and we are pleased to have the opportunity to educate and service new **PROSHRED®** clients."

PROSHRED® shreds confidential documents and other proprietary materials for thousands of customers in all industry sectors including medical, financial and high-tech; and is the only mobile shredding service to have earned **ISO 9001 certification**, meeting the rigorous quality standards of the International Organization for Standardization. **PROSHRED®** is the first company to offer service for home based businesses and residential consumers with its RISC™ Management Program.
