

**DID YOU KNOW THAT BY
RECYCLING
ONE TON OF PAPER YOU
SAVE:**

17
trees

380
gallons of oil

3
cubic yards of
landfill space

4000
kilowatts of energy
(enough to heat and air condition
the average home for 6 months)

7000
gallons of water

60
lbs of air pollution

We'll protect you while you protect the environment

As citizens, employees and business owners, we all play a crucial role in protecting our environment and preserving it for future generations.

Today, every business and household generates a remarkable amount of paper... most of which is sensitive.

By shredding your confidential documents you are not only guaranteeing your information security, you are actively recycling to help protect the environment. And with everyone pitching in we can make a difference. Every bit helps!

With **PROSHRED**® you are partnering with the very best. Sensitive documents will never fall into the wrong hands and 100% of your material will be recycled by approved recyclers.

When you shred... **PROSHRED**®! Call 1-87-PROSHRED or visit us online at www.proshred.com.
