HELPING YOU ACHIEVE YOUR DOCUMENT DESTRUCTION NEEDS

SelectShred, Inc. is a locally owned and operated company that provides secure on-site/mobile document shredding and hard drive destruction service throughout Palm Beach, Martin, St. Lucie, Indian River, and Okeechobee Counties. SelectShred staff is committed to providing quality, superb and dedicated customer service.

The mobile shred truck comes to you and shreds at your location. SelectShred issues a certificate of destruction for your record following every service. This certificate documents that you have a compliant and secure document destruction program in place.

All SelectShred employees undergo federal, state, and local criminal background checks and are tested and monitored for drug and substance abuse. From removal to destruction, SelectShred employees do not touch or see the confidential documents that you place in your console. All shredded materials are recycled.

Regal Ergo 35" Console (Cabinet). Free lockable and secured 30 gallon container.

Secure mobile document destruction services offered by SelectShred include the following:

Scheduled On-site Shredding
(regularly scheduled/scheduled recurring/routine service)

**Periodic On-site Cleanout/
Purge Shredding**
(scheduled for once a year)

**One-time On-site Cleanout/
Purge Shredding**

On-site Hard Drive Destruction

The mission of SelectShred is to educate people about regulatory compliance for confidential information destruction; provide secure confidential information destruction and environmentally responsible disposal; and thereby protect people and preserve the environment.

DID YOU KNOW?

A typical shred truck shreds 3 tons of paper hour, which is more than 200 times the rate of an office shredder. A shred truck shreds a console of paper in less than 1 minute.
