

# SECURITY BINS, CONSOLES & CONTAINERS

## EXECUTIVE CONSOLES

DIMENSIONS:  
27" x 19" x 16"  
35" x 19" x 16"

We can install our high-quality executive consoles at no charge in your facility. They are placed in your office for easy and convenient use for all employees. No need to separate paperclips, staples, metal clips, or bound materials. Simply place the materials in the console and leave the shredding to us, a hassle-free process.

Higher capacity than most consoles in the industry. Wide feed slot that takes up to 400 pieces of paper at once. Paper securely held in a durable nylon bag or cardboard box insert for a secure retrieval.

## PERSONAL DESK-SIDE CONTAINERS (PDCs)

DIMENSIONS:  
13 1/4" x 16 3/4" x 12"

Made for use both inside and outside the office. Personal Desk-side Containers are a key component to document destruction policies. Small, mobile and easy-to-use, PDCs conveniently fit under desks, allowing for immediate disposal and enhanced security. PDCs are also ideal for home-based employees needing a convenient document security system.

Top-loading, durable plastic container holding up to 2,000 pieces of paper, secure lock, using the same locking system as security consoles, one-way feed slot design, ensuring paper cannot be retrieved.

## HIGH-VOLUME SECURITY BINS

DIMENSIONS:  
64-gallon: 42" x 26" x 26"  
96-gallon: 46" x 28" x 31"

For higher volume areas such as mailrooms, copy rooms or warehouses, our bins are durable and easy to maneuver within your facility. Our high-volume security bins, available in 64-gallon or 96-gallon sizes, are secured with a locking system to ensuring your confidential paper is securely locked inside.

Top-loading, durable plastic containers for high paper volumes. Cut security slot to ensure paper cannot be retrieved from inside. Wheeled and well-balanced for easy maneuvering.

## RESIDENTIAL INFORMATION SECURITY CONTAINERS (RISCs)

DIMENSIONS:  
15 3/4" x 10 1/2" x 12 1/4"

Designed for home office and residential customers, Residential Information Security Containers are used to collect business and personal information for safekeeping, reducing risks of identity theft or corporate espionage. RISCs boxes can be taken to our local PROSHRED® office or to one of our community shredding events.

Top-opening bin capable of holding over 1,500 pieces of paper, cardboard construction labeled with the types of confidential information that should be collected, kept in a safe location and shredded.
