

Redishred Acquisition Inc. Announces Strategic Alliance with Document Security Solutions

Redishred is excited to announce a strategic alliance with Document Security Solutions, through a Mentor-Protege program, to expand its nationwide capabilities. Joining forces to create [Docuredi](#), this program aims to increase collaboration and knowledge exchange between both companies, utilizing their unique strengths to achieve mutual growth and success.

Being a leader in the industry, Redishred delivers comprehensive information management solutions while protecting your confidential information. Redishred owns and operates three brands dedicated to secure information destruction, management, and electronic waste recycling, through; PROSHRED® Security, PROSCAN® Solutions, and Secure E-Cycle.

This alliance hopes to establish an extensive network of qualified subcontractors and aims to strengthen our combined service areas beyond the 42 major US markets through the Mentor-Protege program with Document Security Solutions. By implementing Redishred's best practices, Document Security Solutions will enhance its service offerings and benefit from Redishred's expertise. Docuredi creates a seamless and integrated shredding and information management experience for customers, expanding the range of locations and service offerings for a more efficient information destruction and management solution.

“Parish Morris stated *“This SBA (Small Business Administrator) Mentor-protégé gives us the opportunity to use our GSA schedule on a much larger scale. As a Veteran-Owned company, he is passionate about hiring veterans around the world.”*

Dave Knowles, VP of National Business Development at REDISHRED, expressed great enthusiasm regarding the partnership, stating, *“We are thrilled to participate in the Mentor-Protege program and support a Veteran-Owned business. We are committed to providing the infrastructure and transferring the knowledge to support Document Security Solutions' growth through DOCUREDI.”* highlighting REDISHRED's dedication to the development and success of Document Security Solutions through the program, emphasizing their commitment to sharing their expertise and resources.
